

# Downtown Dance Collective Presents Family Dance!

Family Dance is brought to you by request from a handful of parents wishing to have a structured movement activity in which to participate with their child each week. Family Dance incorporates simple movement, listening skills, the inherent ability to feel rhythm in music, and just plain fun, to provide an experience that infants and toddlers can share with a parent, guardian or older family member. Children must be accompanied at all times by an adult.

**Tuesdays 10:30-11:15 AM with Katie Capaldi  
-and/or-  
Wednesdays 2:00-2:45 PM with Heather Adams-Torma**

**Six-week sessions begin the first week of October. The cost is \$48.00 for one child and one adult. \$12.00 for each additional child. Save \$5.00 if you pay online!**
